Northern is preparing to distribute this funding to eligible students and wanted to share the following FAQ's so you can better understand how these funds will impact you.

Q: How does the ARP Impact College Students?

A: The ARP provides colleges with funds to be distributed directly to current eligible students for any component of the student's cost of attendance (COA); or emergency costs that arise due to Coronavirus, such as but not limited to tuition, food, housing, health care, mental health care, or child care.

Q: Who is eligible for the ARP/HEERF III funds?

A: Students who meet basic eligibility criteria for federal financial aid can be considered for these funds. Under U.S. Department of Education rules for the program, these funds can be awarded to students enrolled at Northern including international students and undocumented students.

Q: How did Northern determine who would receive the HEERF III funds?

A: Northern has determined that all students, with the exception Dual Credit, who were registered at the Fall 2021 census date of September 3, 2021, will receive HEERF III funds.

Q: How much will each eligible student receive in HEERF III funds?

A: Federal guidelines required that students with exceptional need should have priority to the HEERF III funds, therefore the fund amounts vary.
